

Moms for Liberty

Preserving Liberty in Santa Clara County

Moms for Liberty is a grassroots organization dedicated to safeguarding parental rights at all levels of government, protecting childhood innocence, and ensuring excellence in education. To accomplish this, we work on six specific tasks, which are:

➔ Hold Leaders Accountable

Keep decision makers accountable to citizens, or replace them with liberty minded individuals.

➔ Spread Awareness

Bring an understanding of the proper constrained, limited role of the federal government.

➔ Oppose Governmental Overreach

Stand together against government overreach and intimidation tactics.

➔ Promote Liberty

Teach the principles of liberty in our schools, our homes, and our communities.

➔ Engage on Key Issues

Stay in touch with our communities and elected leaders on issues impacting our families.

➔ Activate Public Service

Support individuals who wish to represent their community by serving in an elected position.

My name is Carl. My dedicated team and I operate Moms for Liberty Santa Clara County. We are looking for help from joyful warriors. Would you please consider joining with us? Visit our website, momsforlibertysantaclara.com
