

House of Earth and Blood

By Sarah J. Maas

Page 32

"If he grabs his phone to check his messages before his dick's barely out of you again, please have the self-respect to kick his balls across the room and come home to me."

Page 49

As if she were just something he needed to feed before he fucked.

Page 51

To dance inside was to worship that nameless god, hinted at in the age-worn carvings of satyrs and fauns drinking and dancing and fucking amid grapevines.

Page 58

She'd blown all her marks on the drugs.

Page 61

Fuck the drugs in her system- fuck Fury. She'd promised no hallucinations.

Page 81

...I just hooked up with someone in the bathroom, Don't tell Connor...Danika wrote back, Was it good?!?! Only good enough to take the edge off....Stop fucking strangers in the bathroom...

Page 95

An offer for how this night could end, if she wanted: being sucked and fucked. She didn't bother to inform him she'd already had that particular need scratched, minus the sucking.

Page 108

...a female sentry talking on the phone; two angels fucking each other's brains out; and several snorters.
